

STRATEGIC PLAN OF THE COLLEGES OF APPLIED SCIENCES 2015-2020

Vision

CAS aspires to gain national recognition as an applied sciences hub, providing practical and innovative solutions for the ever-changing local and national needs.

Mission

The Mission of the CAS is the provision of targeted programs that produce graduates responsive to the changing needs of the labour market, supportive to the national plans by contributing to the achievement of sustainable development.

Values

In its overall performance, CAS is committed to the following core values:

- **Professionalism:** CAS combines knowledge and skills with competency, honesty, accountability, responsibility and ethical behaviour
- **Transparency:** CAS acts in all matters with integrity, openness and fairness.
- **Loyalty:** CAS instils in its students, faculty and staff the value of being committed to the advancement and well-being of the nation.
- **Recognition of Creativity:** CAS is committed to the pursuit of inquiry, discovery and creation and dissemination of knowledge.
- **Partnership:** CAS collaborates and engages with other educational institutions, students, the industry and the community at large for applying knowledge to the well-being of the nation.
- **Service orientation:** CAS adopts the highest standards of services and effectively and efficiently manage its resources.
